Dear [redacted]

How nice of you to write. I was on the HANSON, and never once dreamed that duty there would lead me to this new assignment. I've heard from other HANSON shipmates-- [redacted]

[redacted] Not sure if your tour overlapped theirs or not.

I have especially appreciated hearing from shipmates and hope we can get together if I am in San Francisco.

Thanks again for your thoughtful letter, and best wishes.

Yours,

STANSFIELD TURNER
